Innovate. Inspire. Excel.

Dear Minnetonka Schools Community,

There is additional information for me to share regarding spring sports.

The Minnesota State High School League has announced spring sports practices and tryouts will go on as planned; however, scrimmages, competitions, practices training sessions and participation with other member school programs will not be allowed until April 6.

The League also said as this is an evolving situation, there may be additional adjustments to the spring sports season as we move forward.

Additionally, Minnetonka Schools has canceled winter sports banquets, and spring sports parent meetings will be postponed until further notice.

The start of middle school athletics will be pushed back at least a week; the tentative start date for middle school athletics is now April 6.

Thank you!

Dennis Peterson  
Superintendent of Schools
