

# Selective College Admissions

## Five Important Tips

**August 29, 2022**

**September 7, 2022**

**Webinar: Sept 13 at 12:00 noon**

# A few important notes:

- Our priority in the college counseling program at Minnetonka High School – helping the student to find the right fit!
- Our hope – that our students will focus on **going** to a college that is a good match, but not focus on **getting in**.
- Every student is encouraged to follow this application guideline –  
“You apply for admission to a college because you would like to go there!”

# Categories of selectivity – What does “selective” mean?

- Most selective – acceptance rates below 15% (Harvard, Princeton, University of Chicago, Yale)
- Highly selective – acceptance rate of 15-30% (Boston University, Carleton, Colgate, Emory, Georgetown)
- Moderately selective – acceptances of 31-60% (Denison, Denver, Macalester, Providence, St. Olaf)
- Selective – acceptances of 61-90% (Drake, Hamline, Iowa State, Marquette, Nebraska, St. Thomas)

# Most selective

- University of Chicago – freshman class of 2,053

Applicants            37,958

Admitted             2,460 (6%)

ACT mid-50<sup>th</sup>        25-30

Top 10%              39%

% Graduating        82%

Application plans: EA, Rolling

# Early application options

- Early Decision – students make a **binding commitment** to a first-choice institution where, if admitted, they must enroll. Nov 1 or Nov 15 deadlines.
- Early Action – students apply to an institution of preference and receive a decision well in advance of the college’s regular decision deadline. **Not binding**. Nov 1/Nov 15 deadlines. National candidate reply date of May 1.
- Restrictive Early Action (Georgetown, Notre Dame) or Early Action Single Choice – Caltech, Harvard, Princeton, Stanford, Yale)

# Other application options

- Regular Decision – students apply to an institution by a specified date and receive a decision by the end of March, or earlier. Deadlines vary, but most are Jan 1, Jan 15, or Feb 1. National candidate reply date of May 1.
- Rolling admission – the institution reviews applications as they are completed and makes admission decisions on a continuous basis. National candidate reply date of May 1.

# Five Important Tips for Selective Admission

1. Students/parents need to be on “the same page” for college cost, affordability, and financial plans
2. Take an appropriately challenging course of study, with as much rigor as possible
3. Determine whether any college(s) will require ACT or SAT scores  
<https://www.fairtest.org/university/optional>
4. Examine closely the early decision/early action options to determine your best strategy and fit
5. Take special care with the “Why us?” essay, or the “What would you add to the Class of 2027?” essay

# Bonus round: Five More Important Tips

6. Beat the application deadline by a few weeks -- if it's due on January 1, apply by Dec. 1
7. If a teacher recommendation is needed, pick someone who knows you well – and talk to them early on!
8. Take advantage of the visits by college admission reps at MHS – often, they will be a reader of your application!
9. Expand your college list to include both “competitive” options and “likely” options. Be realistic with your list!
10. Spend as much time thinking about “going” to a college as you spend time thinking about “getting in” to a college.

# Transcript Release form

- As soon as you know where you are applying, submit a Transcript Release form to MHS, which includes instructions on “how to apply.”

**How to Apply to College:**

1. Submit each completed application directly to the college.
2. Using the Common App? **If yes:**
  - Complete the **FERPA Release Form** in your Common App account.

# Final thoughts

- The goal of the college admission office is to enroll a well-rounded class – a community of individuals who add a unique talent or characteristic to the class. The operative question in selective and highly selective admissions is: **“What will this student add to our college?”**
- Make your case – why is this college a good match for you? Spend time on doing the application well. Submit your application ahead of the deadline!

- In America, people succeed because of the quality of their character, not the fame of their college.
- Know that what you do in college is a better predictor of future success and happiness than where you go to college. (from the Education Conservancy.)
