An email will be sent mid-month indicating that invoices are ready to be viewed online. The monthly fees will be charged to the credit card or checking/savings account we have on file.

Your credit card/account will be charged on the due date which is one week from the date the invoice was generated. A \$15 fee will be added to your account if your payment method is declined for any reason. Please notify Explorers Billing and Enrollment of new account numbers *before* your card expires, or of any changes in your account. Past due accounts will be sent to collections and may incur legal fees.

Year-end tax statements can be accessed online. Our Federal Tax Identification number is **41-6001402**. This is the number you need to complete your childcare expense forms.

If you are enrolled with your employer in a Flex Benefit Plan, forms will be signed only after payment has been received. Please contact Billing and Enrollment at 952-401-6838 if you have any questions.

Explorers does not offer scholarships. Financial assistance may be available to qualifying families through the county in which you live. Please contact Billing and Enrollment for more information.

Enhanced Illness Policy

If your child will be absent from the program for an extended period of time due to illness; please notify Explorers Billing and Enrollment as soon as possible (952-401-6838) to request an adjustment to your monthly Explorers invoicing. Explorers continues to staff all sites. Therefore, if your child is absent from the program due to illness, we require payment as follows:

- 1 through 4 consecutive days missed from Explorers – parents/guardians will be financially responsible for 100% of the daily fees.
- If 5 or more consecutive days are missed from Explorers - Day 5 and beyond parents will be financially responsible for 50% of the daily fees.

Data Privacy Records concerning your child, including enrollment forms, health records, observation records and all other information about your child are confidential and will only be accessible to you, billing and enrollment staff, the Program Manager and the Site Supervisor.

We must have a file for every child enrolled in Explorers and an Explorers Contract, through our Eleyo registration system. It is important that all information on file, especially phone numbers, be kept current. Please inform the Site Supervisor of any changes. We print the Child Information Sheet and have that on file at the site.

Drop Off and Pick-Up Information

Sign in and sign out All children must be signed in upon arrival and signed out upon departure.

Release of Children Your child will be released only to people listed as authorized to pick up. Staff is required to ask for identification from anyone unfamiliar attempting to pick up a child. If an unauthorized person attempts to pick up your child, you will be contacted. If you cannot be reached, your child will be held until you or your emergency contact person arrives. If you want to authorize additional adults to pick up your child, please notify billing and enrollment or add them online. Copies of legal documents regarding child custody must be provided to the program office before any staff person can actively prevent non-custodial parents from picking up their child.

Late Pick-Up Policy Explorers closes at 6:00 p.m. All children must be picked up no later than 6:00 p.m. according to the time on the iPad. If an emergency delays you and you are going to be late picking up your child, make plans for someone you have designated as an Authorized Pick-Up person to pick up your child on time, and call the program staff immediately.

In the event that your child is still at the program after closing and we have not heard from you, we will take the following steps (in order):

1. Attempt to reach you on your home, work or cell phone number.
2. Call the people you listed as authorized to pick up your child.
3. If you are more than 30 minutes late, the police will be contacted for assistance.

A late fee of \$10 is charged for each 5 minutes (or portion thereof) that parents are late picking up a child.

6:06 p.m. to 6:10 pm \$20	6:21 p.m. to 6:25 pm \$50

After the third instance of late pick up, childcare services may be suspended or terminated.

Health and Safety Information

Explorers will follow the districts [Health and Safety Guidelines](#).

Medication A written order signed by the licensed medication prescriber and the parent/guardian is required for all prescription medications. Such orders must be renewed annually or whenever medication dosage or administration changes. A signed district [Medication Permission Form](#) along with the medication in the original prescription container must be turned in to staff.

Prescription medication must come to school in the original container, marked with the student's name, and must be administered in a manner consistent with the instructions on the label.

All medication administered, will be documented. This includes the name and dose of medication, time of administration, and the name of the individual who administered the medication. Medications are stored in our medicine lock box.

Accidents and Injuries If a child has an accident, the staff person working with the child will notify the parent with an accident report. If a serious accident occurs which might need medical attention, the staff will contact you immediately so you can take your child to the doctor or dentist.

In an emergency where immediate medical attention is needed, the staff will call 911 and then immediately contact you. After 911 has been called, it is up to the paramedics to decide what to do. If they decide your child needs emergency treatment, they will take the child to the nearest emergency medical facility and you will be responsible for medical charges. We will stay on the phone with you to help make the decision whether to transport the child or not.

Allergies If your child has an allergy noted in their registration, parents must have this [Allergy Form](#) filled out to keep on site. If the allergy requires medication or an anaphylaxis plan, [this form](#) is also required.

Student Conduct

Explorers recognizes that individual responsibility and mutual respect are essential components of a successful childcare experience. All students are entitled to learn and grow in a setting that promotes respect of self, others, and property. Proper student conduct is necessary to ensure the safety and respect of all students and to create an atmosphere where students can relax, explore individual interests, develop friendships, and grow in confidence.

The Minnetonka Schools Student Discipline and Code of Conduct policy is in effect and pertains to all children in Explorers ([click here](#) for full policy). In the event a child has received an out of school suspension, they are not able to attend Explorers until the suspension period is over.

Unacceptable behavior is subject to disciplinary action. The decision of the type of consequence in a particular case is at the discretion of the staff.

Consequences may include, but are not limited to, one or more of the following:

- Student conference with Explorers staff.
- Parent contact or conference.
- Loss of student privileges, including participation in field trips or special events.
- Referral to support services or community resources.
- Suspension or dismissal from Explorers.
- Other disciplinary action as deemed appropriate.

The following behaviors are considered bottom line behaviors and may result in a child being sent home immediately from Explorers. Depending on the severity and frequency of the behavior additional consequences including, but not limited to, suspension/termination from the program may occur:

- Abusive or inappropriate language/profanity
- Defiance/disrespect/insubordination/non-compliance
- Leaving building/school grounds
- Harassment/bullying
- Fighting/hitting/kicking/choking
- Weapons
- Property damage/vandalism
- Theft

Termination of Care by the Program If Explorers leadership determines that our program is not meeting the needs of a child, we reserve the right to terminate the care arrangement on a timeline that is in the child's best interest. Other reasons that may result in the termination of a specific care arrangement are as follows:

- Non-payment for childcare services and/or lack of adherence to the fee payment policies.

- Lack of cooperation from parent(s) with the program efforts to resolve differences and/or meet the child's needs through parent/staff meetings.
- Abusive behaviors and/or verbal threat by parent(s) toward program staff or other parent(s).
- Repeated late pick up.
- Failure to comply with Explorers terms and conditions.
- When a child's developmental, medical, or behavioral needs require personnel, training, or equipment that Explorers is unable to provide, program staff and parents will meet to discuss the best course of action, appropriate resources, and options for care.

Communication At Explorers, we value open communication with parents and encourage you to be involved. A survey will be conducted annually to gather feedback on the program. Results received will help to make improvements to our program.

If you have questions or wish to talk to someone about your child, do not hesitate to call the Site Supervisor. Special conferences can be scheduled at any time staff or parents feel there is a need.

The staff will make every attempt to notify parents via phone or by written note whenever a situation arises that we feel you should be aware of. We request that parents keep the staff informed of your needs, concerns and feelings.

If an injury occurs at Explorers, parents will be notified. Minor scrapes and bruises handled at Explorers and which need no further attention will be reported to you on a form called Minor Mishaps and given to you when you pick up your child(ren).

We welcome suggestions and comments to improve the quality of care for your child. Please contact your Site Supervisor if you have a comment or concern. If additional communication is necessary, please contact the Program Manager, at 952-401-6824. If the problem is still not resolved, contact the Assistant Director, at 952-401-6818.
